

How Do I Disable The Pop-Up Blocker from Firefox?

1. Click the **Firefox** button in the top left corner of the screen

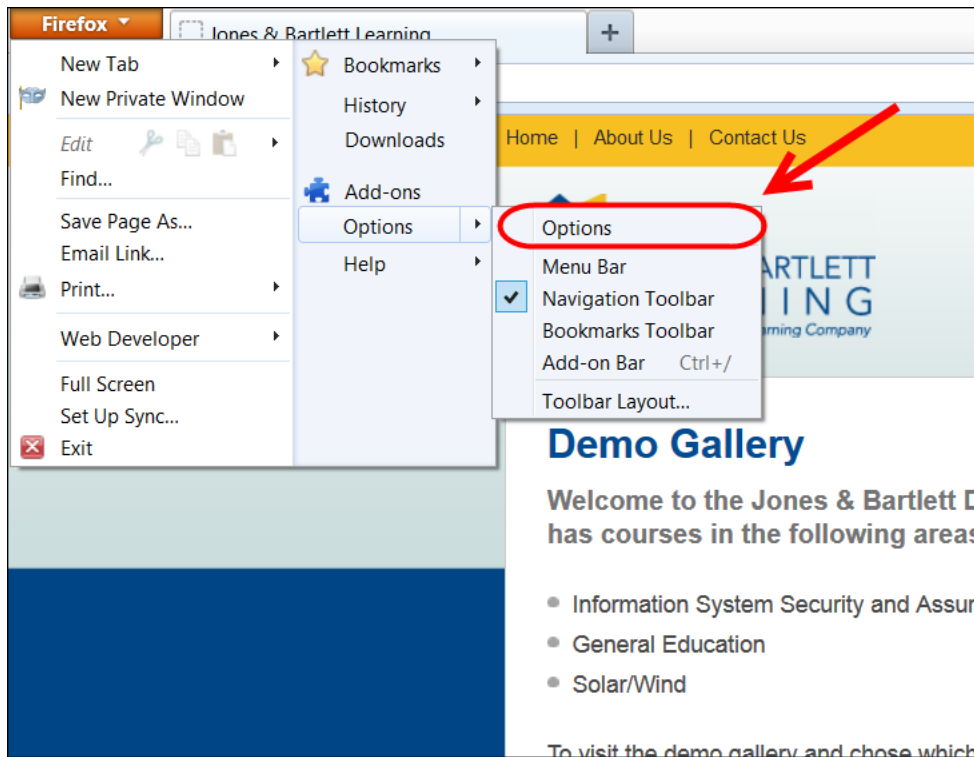

2. Hover over **Options**

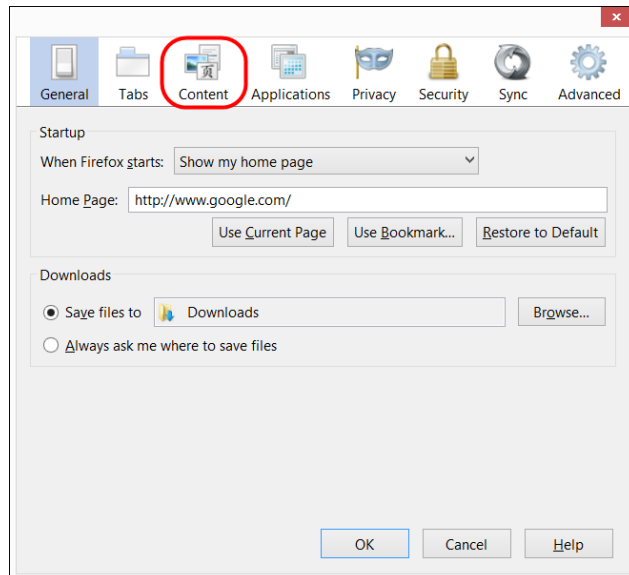

Jones and Bartlett ISSA Labs: Before You Begin

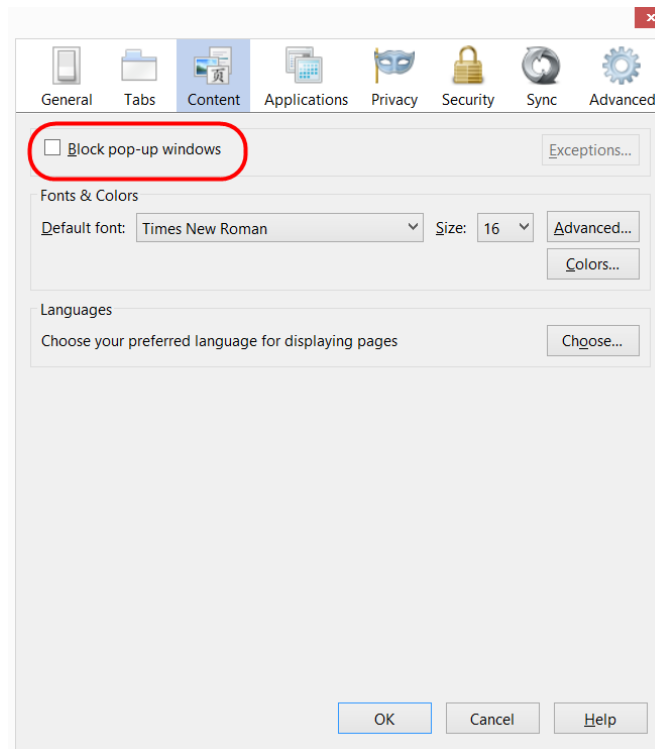

3. Click **Options** from the drop-down menu that appears

4. Click the **Content** icon

5. Click the box next to **Block pop-up windows** to remove the check mark

6. Click **OK** when you're finished.
